COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents:

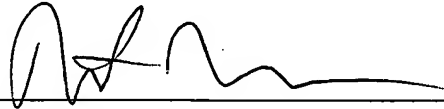

In the Examiner's comments with the Notice of Allowance mailed January 4, 2005, the Examiner stated that the reason for allowance was the failure of the prior art to teach or suggest features that are recited in claim 1. However, allowed claims 18-31 do not include all of the features of claim 1.

Comments on Statement of Reason for Allowance  
USAN: 10/608,998

The applicants understand that the Examiner was only stating one reason for allowance of claims 1-17 and did not intend for that reason to apply to any of the other claims. Obviously, claims 18-31 were allowed because the prior art fails to teach or suggest the elements actually recited in those claims.

Respectfully submitted,

Seed Intellectual Property Law Group PLLC
